

Improving the quality and efficiency of patient care!

Peer Review for the Dental Team: National Toolkit

INCLUDES A VARIETY OF READY TO USE MEETING TEMPLATES

Peer review forms part of a quality assurance service, as well as risk management. It is aimed at dental professionals and offers regular meet-ups to review aspects of dental practice, share experiences, and identify areas for change.

Ideally Suited For

Dentists, dental nurses, dental hygienists, dental therapists, orthodontic therapists, and dental technicians.

Available To

Anyone in primary or secondary care that works in the UK for the NHS, or the private sector.
